Dear Minister:

I would like to draw your attention to the letter of Mr. Christopher Brown, regarding the protection of persons with environmental sensitivities, within our health care system.

It would be greatly appreciated if you would review the enclosure. Mr. Brown is calling on the federal government to increase its attention and emphasis, within the health care system, on patients who suffer from ambiguous sensitivities. He expresses his support for patients to be checked for these sensitivities before receiving medical treatment, in order to avoid harm. I would appreciate it if you could respond directly to my constituent's concerns.

Thank you for your co-operation in this matter.

Sincerely,

Mac Harb, MP

Encl.
Cc. Mr. Christopher Brown
