Dear Mr. Brown:

This will acknowledge receipt of your correspondence dated August 8, 1985 as well as a copy of your letter to the Honourable John Wise of July 27.

While, as you have indicated, I have considerable sympathy for the situation and problems you outline, (and I can understand your frustration), I cannot help but offer the opinion that your current approach is inappropriate and counter-productive to your aims. Most certainly, it will not initiate the response from the CMA that you might like or anticipate. I suggest that any further communication you might have concerning this subject be directed to the CMA President, who as of August 21 will be Dr. William Vail, 294 Woodland Court, Newmarket, Ontario, L3Y 2J7.

Yours sincerely,

D. A. Geekie, Director
Department of Communications
and Government Relations
